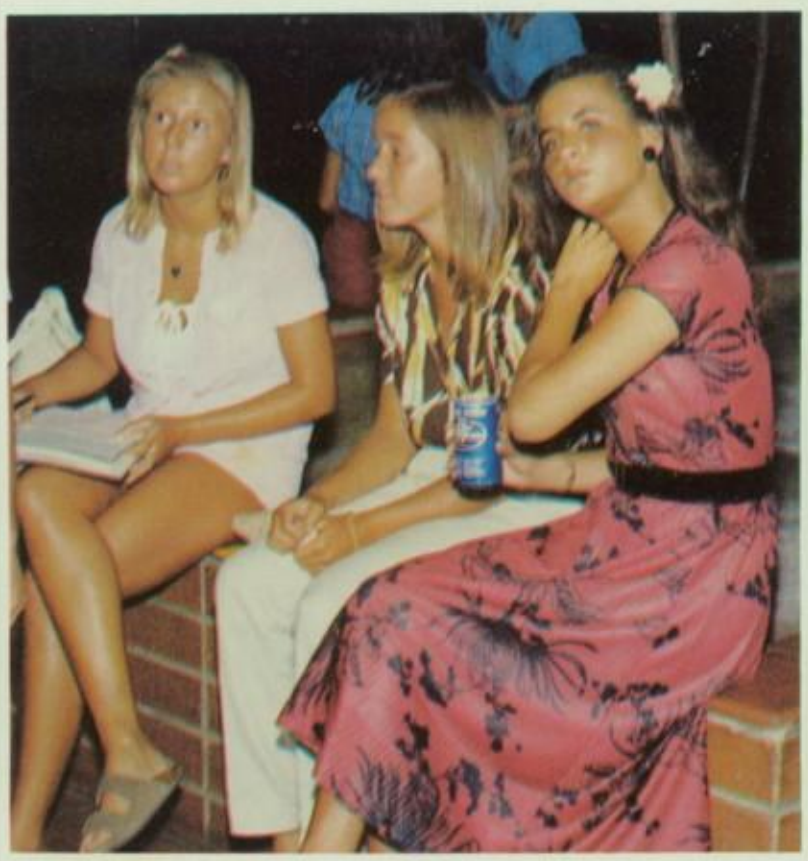
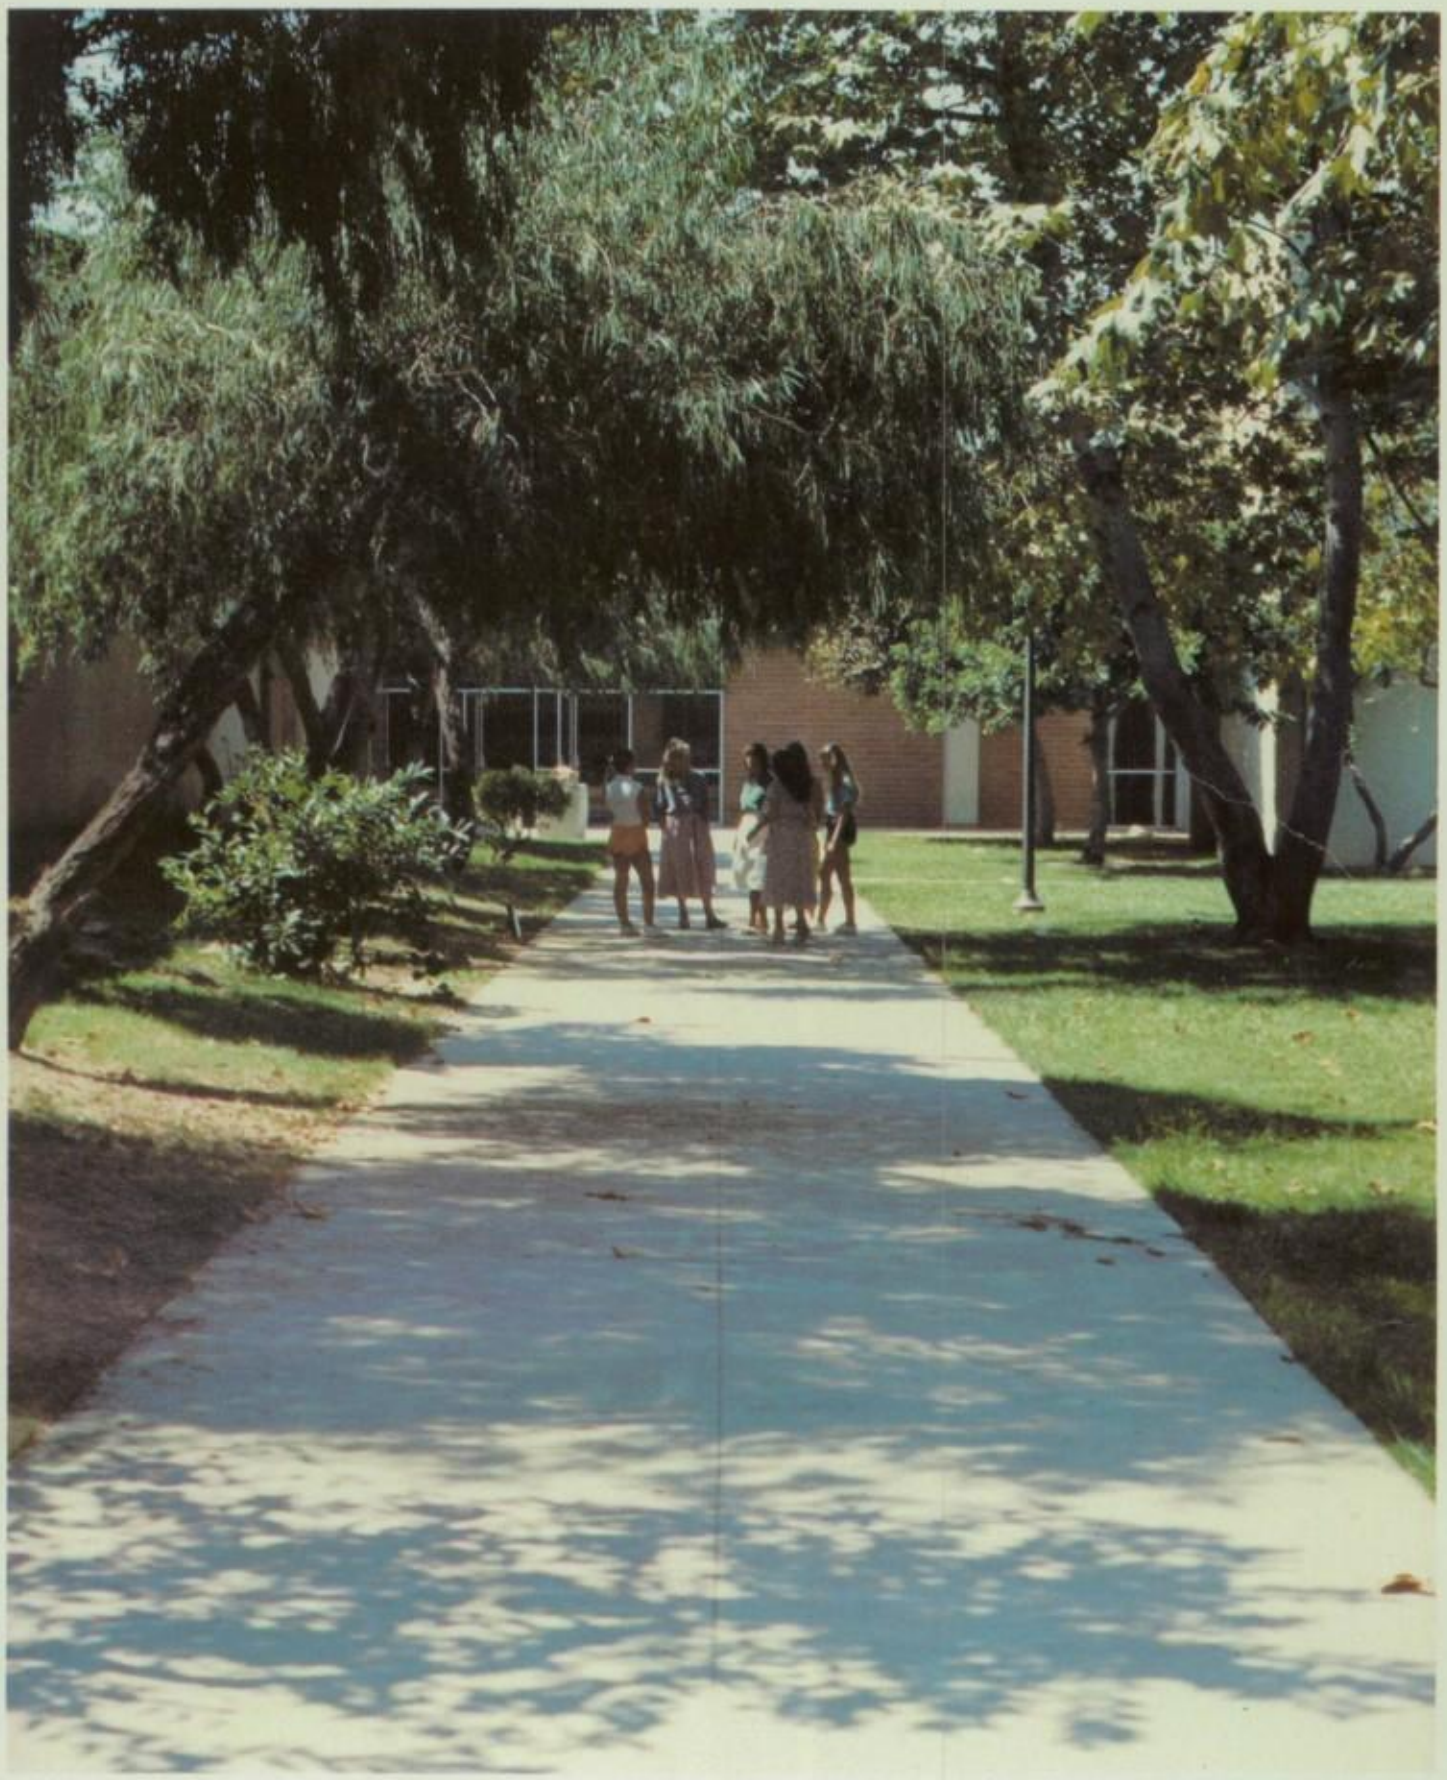
into realizing that
I
am
me.





This year is for me. This is my year to grow. This is my flight.

The 1979-1980 Dance Production is a very diversified group of dancers who meet during third period. Their various talents include: jazz, tap, modern, and ballet. Due to difficulties in getting an advisor they did not put on a show this year, but are hoping for a specialized dance instructor next year.

Dance Production

Creativity, thought, laughter, imagination, music, drama, and lots of care were put into the 1980 Follies which again proved to be successful. The Follies brought out the great talents of EHS that are sometimes overlooked. The audience was thrilled by such magnificent acts of talent. Tres Bien!

Follies - 80

Sell-out crowds booed, hissed, cheered, and sighed the Estancia Drama Department's production of "The Drunkard", an uproarious and exciting melodrama set in the 1890's. It's the story of how a coniving villian intends to ruin the life of a charming and rich young man through the evils of drink. The cast gave a charming and amusing performance. Also impressive was the performance given by the tech crew. With fifteen complicated set changes and many lighting, sound and music cues, they pulled the show together. In the tradition of the department, both cast and crew showed polished professionalism.

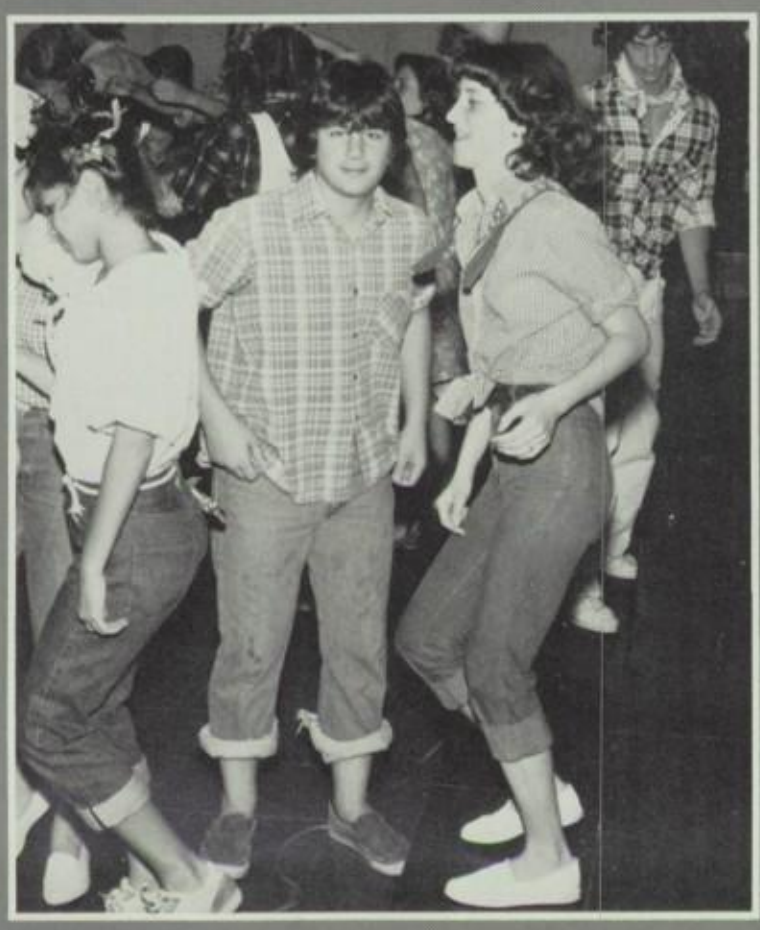
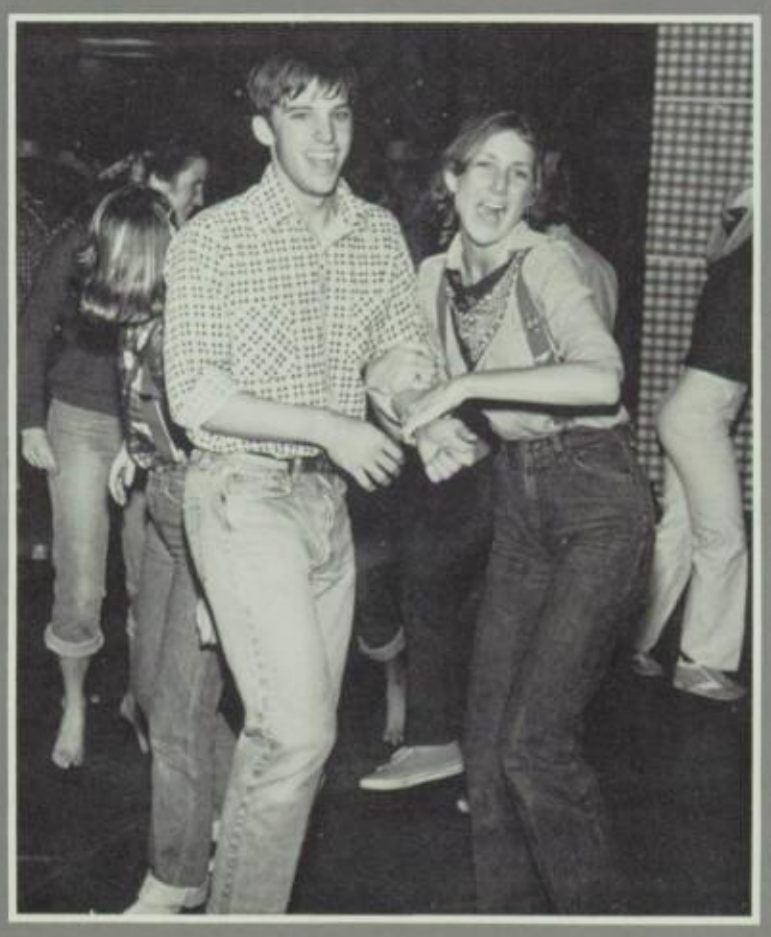
Thespians is an international honary organization for high school theater students. In our continuing efforts to expand the artistic horizons of our members, we attend performances at South Coast Repetory Theater, the Laguna Moulton Theater and each Christmas vacation, we go to New York City to see the current plays. This year we saw eight Broadway shows including, **Elephant Man** and **Sweeny Todd**.

Our participation in competition the last two years has been fruitful. We won best actress in 1978 and best actress, best actor and best production at Long Beach in 1979.

Thespians





Sadie Hawkins

The Sadie Hawkins was put on by the Senior Class as a girl ask guy dance. On March 7, 1980 the band, "Cottonwood," started with some real hometown country songs while everybody square danced. After dancing, there were shot gun weddings performed by Mr. Granite. The dance overall was a big success and seems to have become an Estancia tradition.

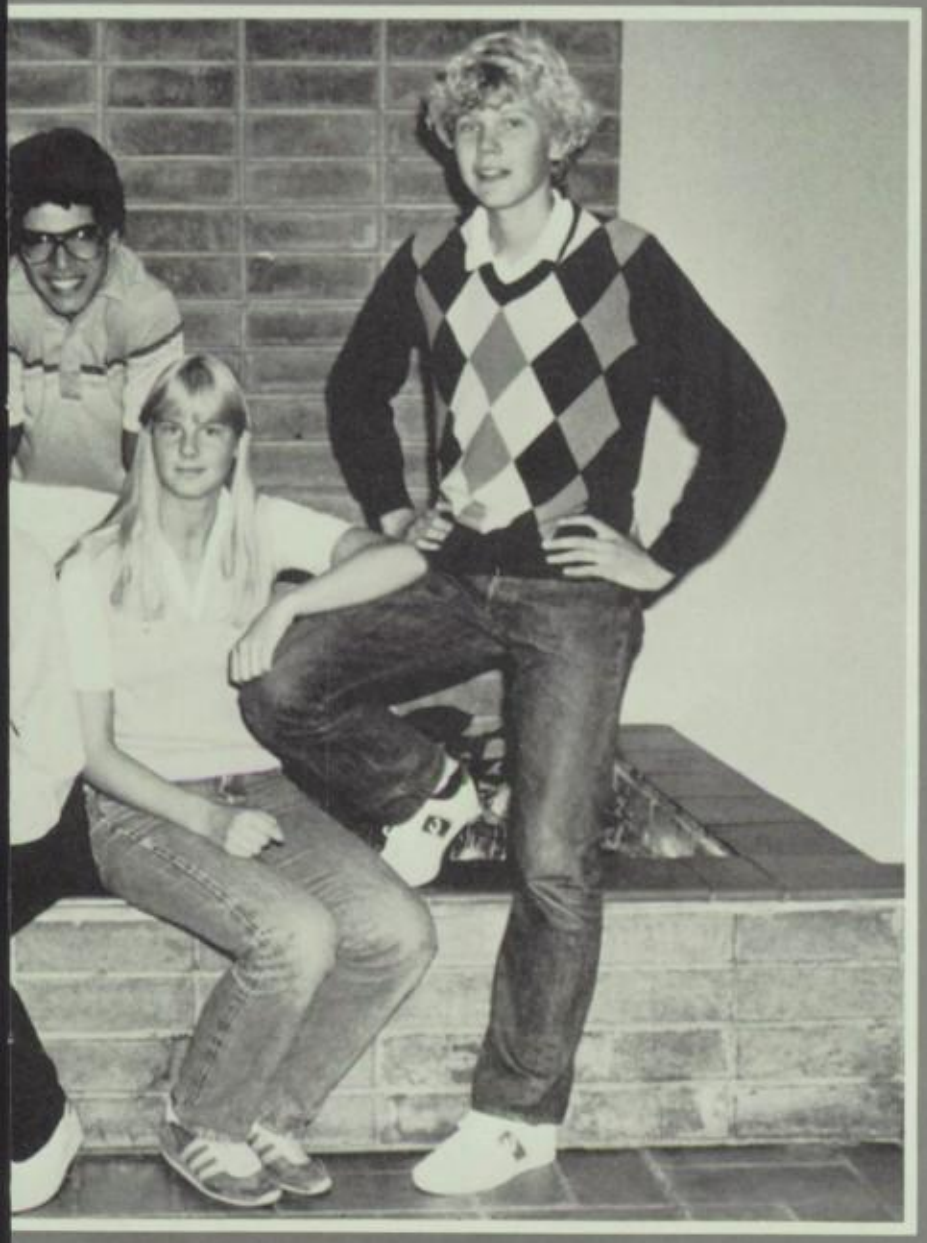
Jaana Salliner is from Lappeenranta, Finland. She likes it here but prefers it in Finland. She has noticed a few interesting conflicts. There are more color in our clothes, and they're more stylish in Finland. Jaana is close to her family. In Finland children and parents aren't as close.

Carlos is here from Bolivia. Carlos explained that our school is a lot of fun. He says there are more student activities and school unity at Estancia rather than his school. Back in his country students respect their teachers more. They don't question anything the teachers say. Carlos is enjoying his stay very much.



Johanna Sidte is here from Sweden. She is enjoying her stay here in America very much and also enjoys attending Estancia High School. She is living here with her parents but, she has a 15 year old sister and a 4 month old brother still living in Sweden. Her school and town in Sweden are a lot smaller and much harder. In her old school they have 5 hard classes and one elective. Johanna plans to try out for the badmitten team this season. She is interested in getting involved with school activities and comments, "What can you lose?"

Linda Lightner is our Domestic Exchange Student this year. Linda is from Oconto, Wisconsin. Linda's school in Oconto is much smaller than Estancia, for it has only about 520 students. Linda feels Estancia has a better class selection and that the class schedule is more liberal. Linda enjoys volleyball and track. She is also involved in many activities such as pep club, newspaper staff, yearbook, girls league and A.F.S. Linda says, "Learning about yourself and experiencing new surroundings has been a growing experience while I've been involved with A.F.S."

Eric Svenson is here from Sweden also. Now that he is here in America he is taking an interest in golfing, which he played a little bit in Sweden. He is planning on trying out for the team here at Estancia. He also enjoys skiing and is looking forward to the winter season. Eric says Sweden and America share common values, such as the people. Eric is enjoying California very much and is quite happy that he had the fortune to come here.

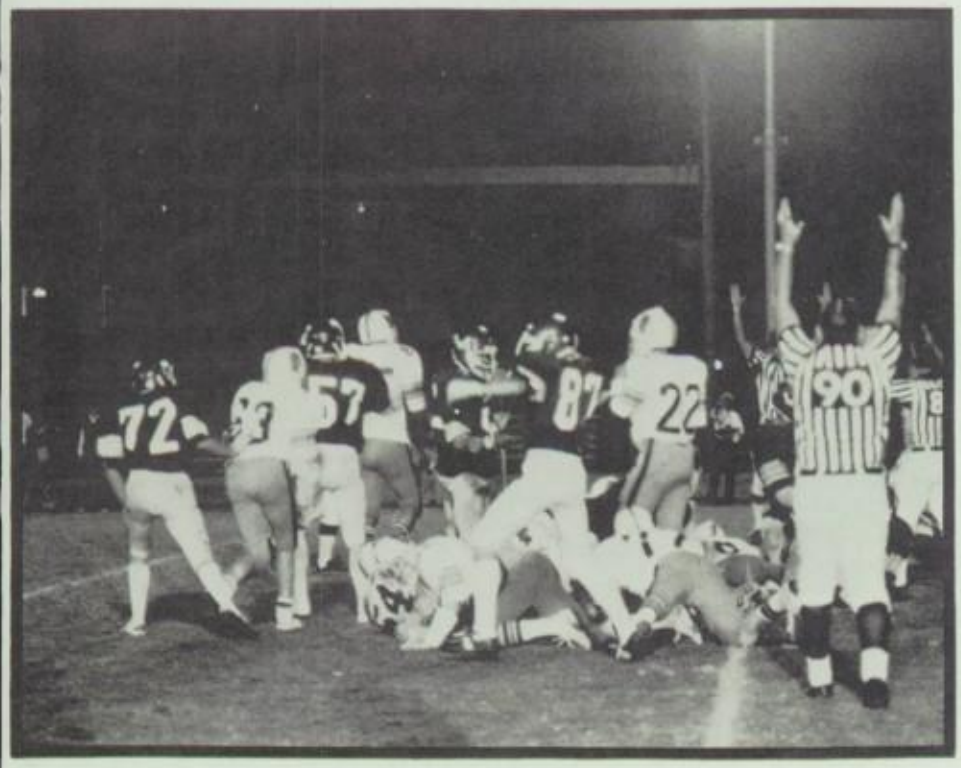
Congratulations to Head coach, Ed Blanton and Jeff Tracy who were named coach of the year and Defensive player of the year respectively.



The Eagles, who were picked to be no better than a dark horse, 3rd place finisher, defied all expectations and proved to be the King Pin of the Sea-View League. There was no team that could surpass the mighty and all powerful eagles. They were the best and could not be beat. Our defense, which ranked #1, only gave up an average of 8 pts. per game. They carried the Eagles into 2nd round C.I.F. with the help of a well balanced offense. Although ourhopes of a C.I.F. crown were stolen away by a tough Esperanza team, our Eagles finished a season that was filled with success and victorys, one they should be very proud of.

The sophomore football team's sucess this year was contributed to an outstanding defence which lead the Sea-View League in "Least points scored" by the opposition and total interceptions.

The Defence was lead by safety Jamie Aiken's interceptions and the hard-nose play from linebackers Bill Sieker, Mark Van Doren and Chris Crandall.

Quarterback Alex Shively guided the offence to a most productive season which featured a strong running attack with linemen Mike Griffen, Mike Smith, Craig Ohlsen, Ernie MacDonald, Rusty McFarland and Ray Chretin opening holes for backs, Eric Cano and Chris Crandall. This year's sophomore football team is the future of Estancia Football and the futures "looks good!"

Estancia's 1979 Freshman Football team has steadily improved week by week and has been undefeated through seven games. Good team defence and steady passing by quarterback Scott Davis have been the main factors in the team's sucess. With two games left in this already very successful season, the young eagles have shown a strong nucleus for Estancia's future varsity. They have been helped by their head Coach, Mike Sheline.

In a year of changes: coaching staff, athletes, and course; the Estancia runners show great promise for the future.

We have an excellent crop of young runners on the Frosh, Soph, and Junior levels from which to build a strong team.

As some coaches say- this is a building year.

Our out-going seniors have given us a wealth of running knowledge and experience.

We look to the future with great hope.

Thanks,

Coach Don Burns

Boys' Basketball

The 1979-80 Varsity Basketball team has accomplished many honors. They played in the finals of the 16 team Laguna Beach Tournament. They also won the Huntington Beach and Orange Tournaments. During the pre-season, the Eagles defeated such 4A powers as Crespi, Marina, Katella, Newport, and Mater Dei. As of February 14, the Eagles were 9-0 in league. Of those nine victories, a 52-46 win over CDM and a 41-31 victory over a stalling Costa Mesa team, plus a 48-46 overtime victory against University proved very exciting for the Estancia followers. 22 wins against 3 losses was the Eagles record, with 1 league game remaining, in addition to the C.I.F. games.

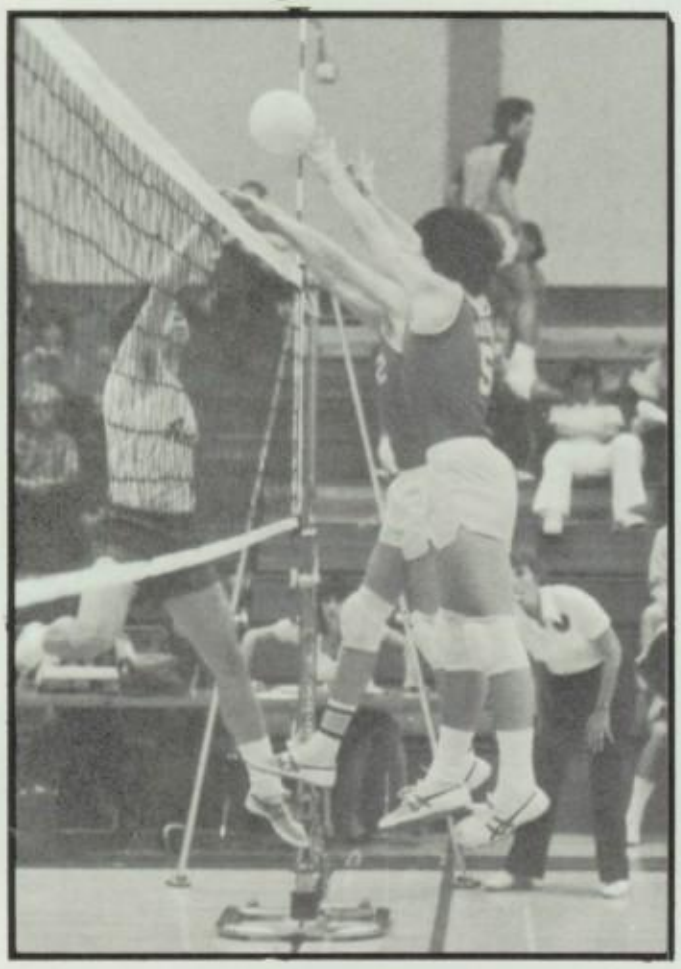
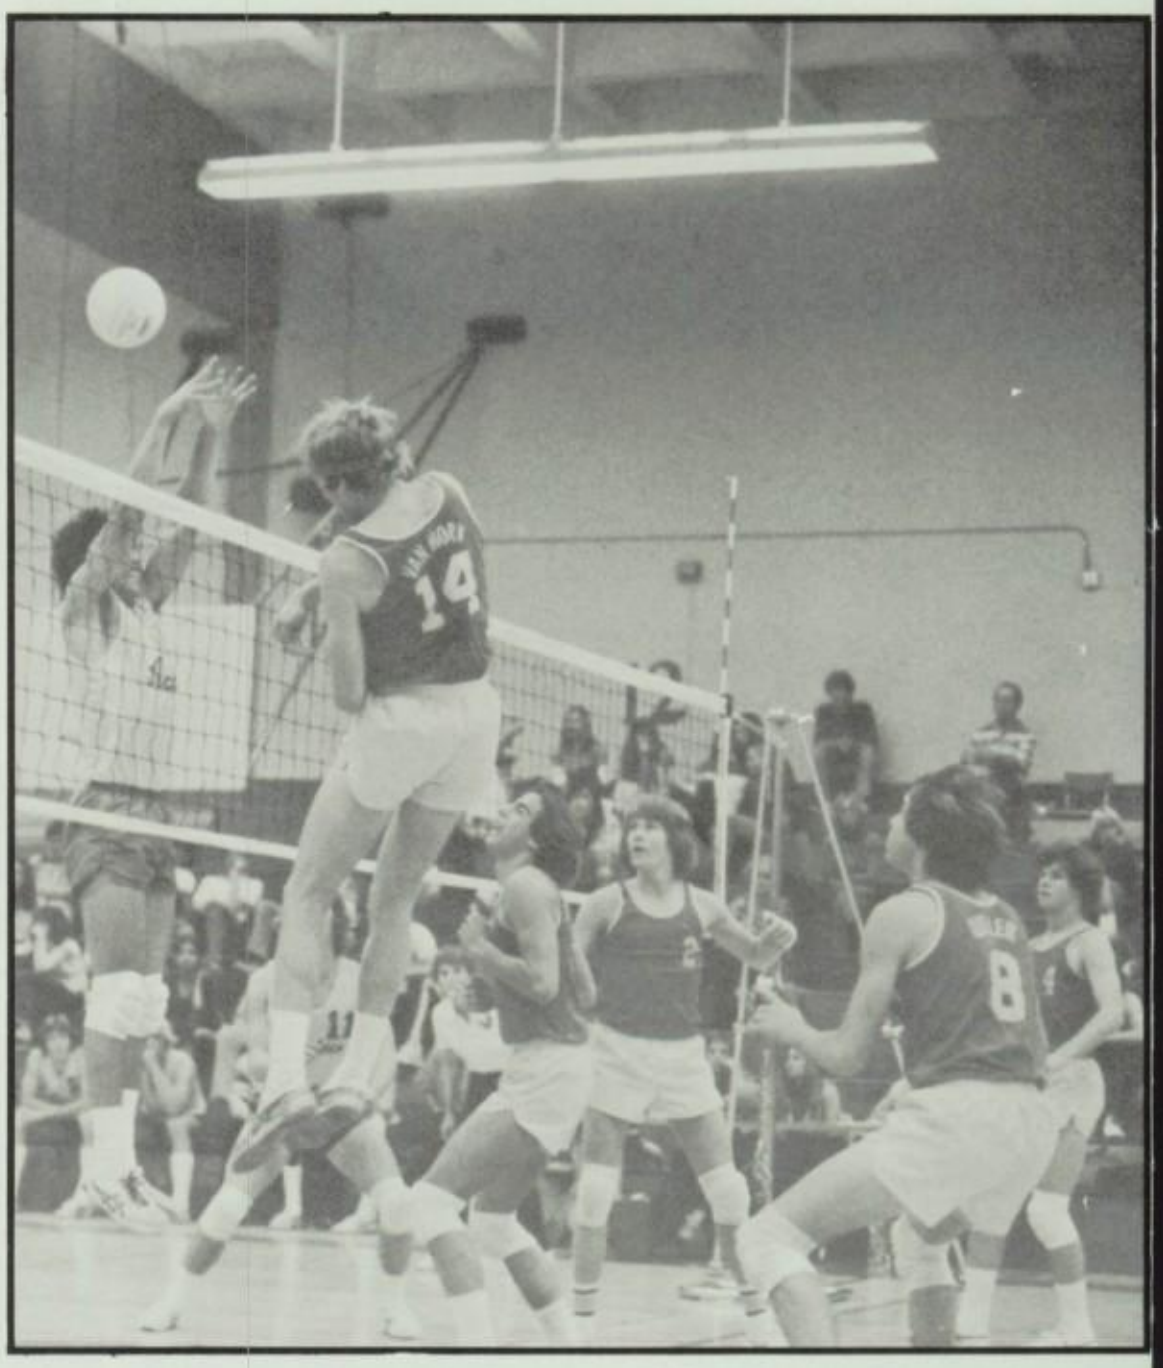
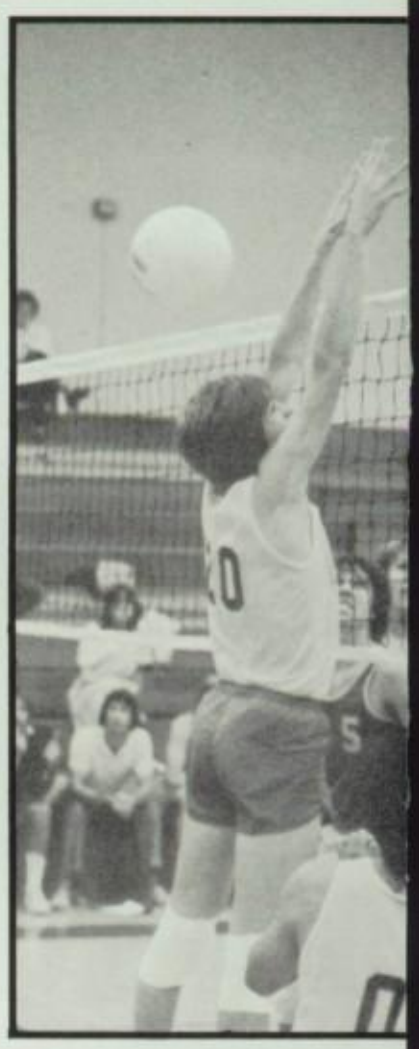
Volleyball

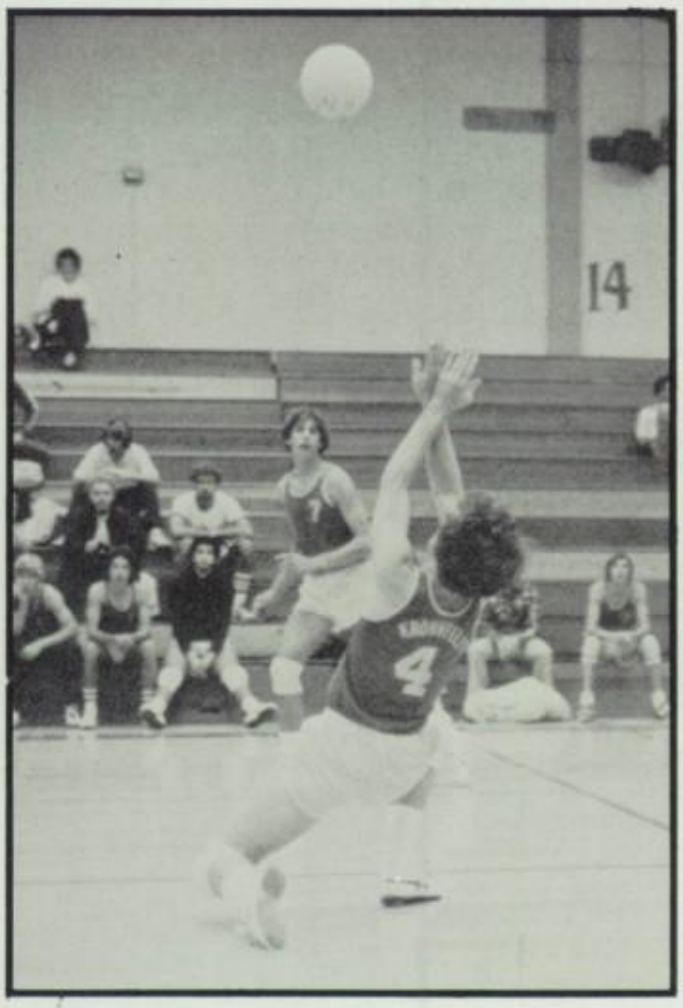






Before we state this year's volleyball season's scores, we wish to mention last year's successful season that failed to gain recognition. They boasted a 22-3 win-lose record. They were runner-up in the C.I.F. finals after tying with El Toro for the Sea-View League Crown. The team went on to the National Championships, where they beat Westchester of Los Angeles, to prove they were the best High School team in the nation. A late but genuine congratulations.

This year's volleyball team figuares to be at least as good as last years. Volleyball promises to be very exciting as well as successful for Estancia. The high-light of the boys season this year will be their European tour of England, France, Denmark, and Belgium ending with the World championships competition to be held in England.



This years varsity line-up includes:
Jeff Cutler
Brad Elligood
Bill Mattais
Curtis Swindal
Kent Smith
Tim Krohnfeldt
Bob Rieden
Steve VanHorn
Dan Vrebalovich
Neil Warman
Greg Gentling
Rich Winder

At time of our dead-line results were not know of this years season. We're sure it was a successful one though, for the talent shown in the line-up represents great expectations and high results.

Led by Jim Sampson and guided by Coach Bill Covington, our 1980 J.V. Volleyball team set out to follow the same path that last years J.V. team took. Last year our J.V. team stormed through league as well as invitational tournaments, standing out as "the team to beat". This years team was a mixture of experienced juniors as well as eager freshmen. The team symbolized, all to well, the excellent volleyball program that Estancia has, which, in the end, turns out the big results- the unchallenged victories!

The 1980 Varsity Track Team is not loaded with a large number of varsity lettermen but we do have a nucleus of determined hard workers.

We look for steady improvement in the team and especially those moving up from last season. The Eagles should be fun to watch this season.

The JV and Frosh-Soph teams show definite promise for the future. There appears to be a good balance of sprinters, distance runners, and field event men which should make for an interesting season this year.

In what is becoming a Estancia tradition, the girl's J.V. Basketball team is on its way again to another successful season. In pre-season activity the Eagles have posted a 9-1 record, losing by 1 point to Cypress and winning the Estancia Christmas Tournament. The team was led by several returning players-they include Joan Howland, Linda Ibushi, Pat O'Connor, Valarie Robinson and Jan Wallace. Also returning were Alison Cutler and Chris MacMillian, who added even greater depth to this squad. Keeping up the standards set by these players, this team has brought about a strong 62 point attack with their opponents clamped down to 28 points. With such a powerful returning 7, joined by 5 hopeful freshmen, a 3rd straight League Championship is within sight.

The girls track team is looking forward to another championship season. The team was Century League champion in 1978 and Sea View League champion in 1979. The Sea View League teams are more competitive this year, but the Eagles have already broken three school records and tied one during their first two pretice meets. Michelle Fort-880; Lee Anna Delgado-110 low hurdles; Janet Gilmer-discus; and Kristen Frantsen-high jump. Other girls that should have an outstanding season are Debbie Gleason-2 mile; Susan Metcalf-mile; Jill Wallace and Cara Francy-440 and relays; sprinter Dede Williamson and Patty Daniels. New members such as Emily Thomas and Robin Andrews are adding depth to the team. However, each girl on the 60 member team is very important to the success of the total Varsity and Junior Varsity season.

Estancia's Girls Volleyball Team had a season with a lot of excitement, success, facial disgracials, dives, push-ups, victorys and most of all, a lot of fun. The team took third in league, just missing second place to Irvine. They entered C.I.F. and although they lost first round to Mater Dei, they showed a very high level of play, one that they should be quite proud of. The team shows great hope for next year with 4 starting players returning. Also returning will be Bill Covington, who was the new coach. Many thanks go to him for making this season a "stokable" one.

This year's J.V. Team had a successful season, losing only to Corona Del Mar and El Toro. Since the team was made up of mostly freshmen they are looking forward to a strong team in the following year to come. Much thanks are owed to coach McKinley, for without her help there may have been no volleyball season for any of the girls.

J.V.

Tennis

The Estancia girl's tennis team, again upheld their reputation as one of the finest teams in the Sea View League. With the help of Lynne Meyers, Susan O'Meara, and freshman Tracy Ehlers excellent performances, the girls finished their season with eight wins and two loses (both the Corona), placing them second in the Sea View League. But this was not their only feat, as the girls went on to C.I.F. and breezed their way to the final round. The Eagles put out a tremendous effort before bowing to Corona 8-10, in a very close match. Great season girls!

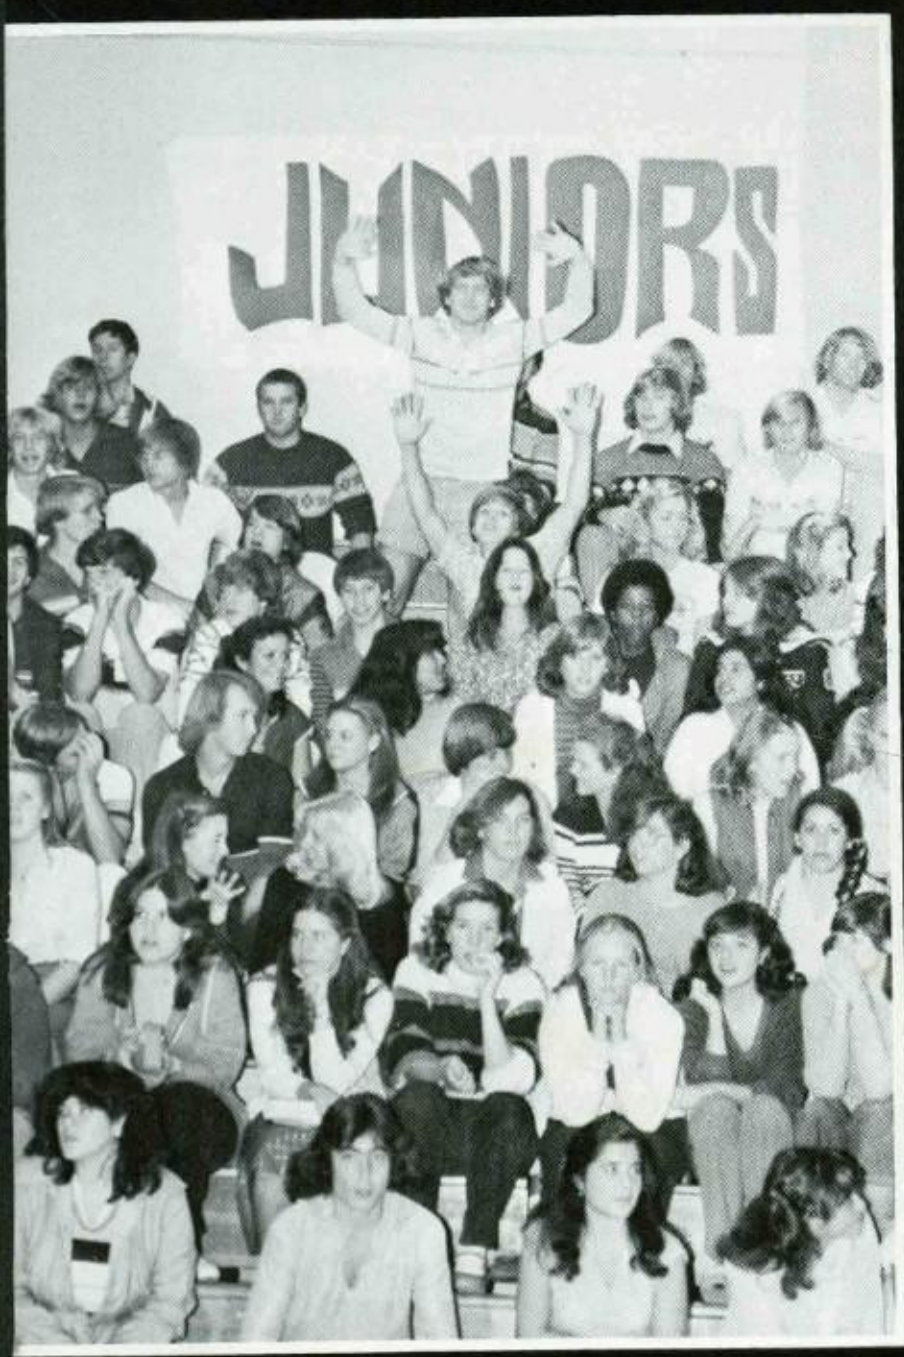
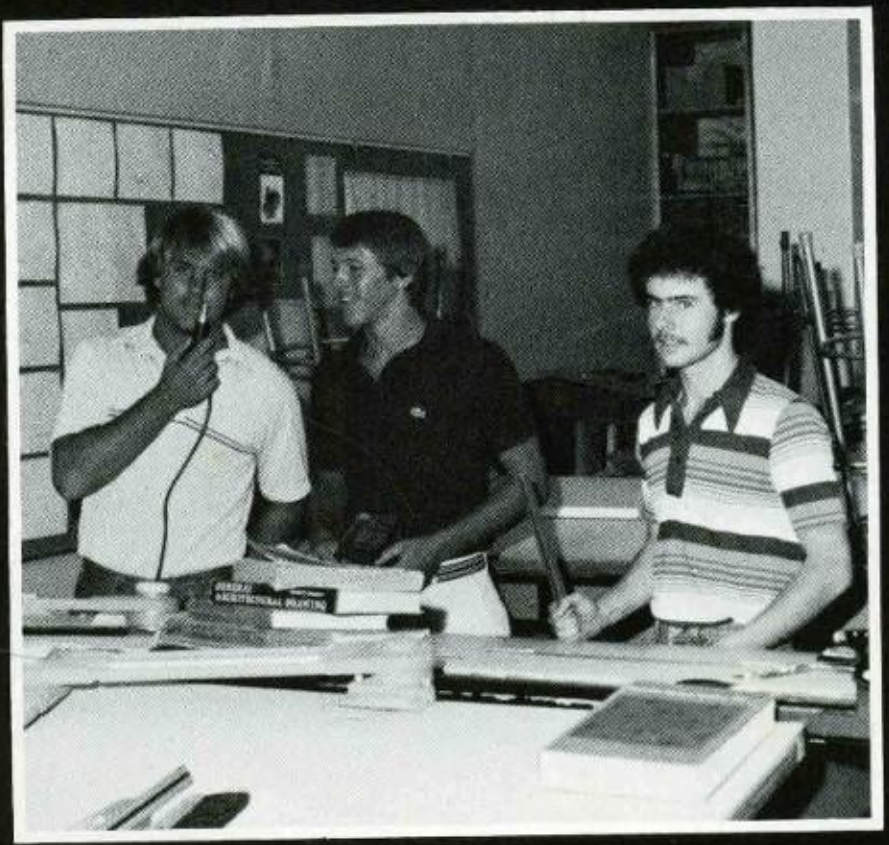
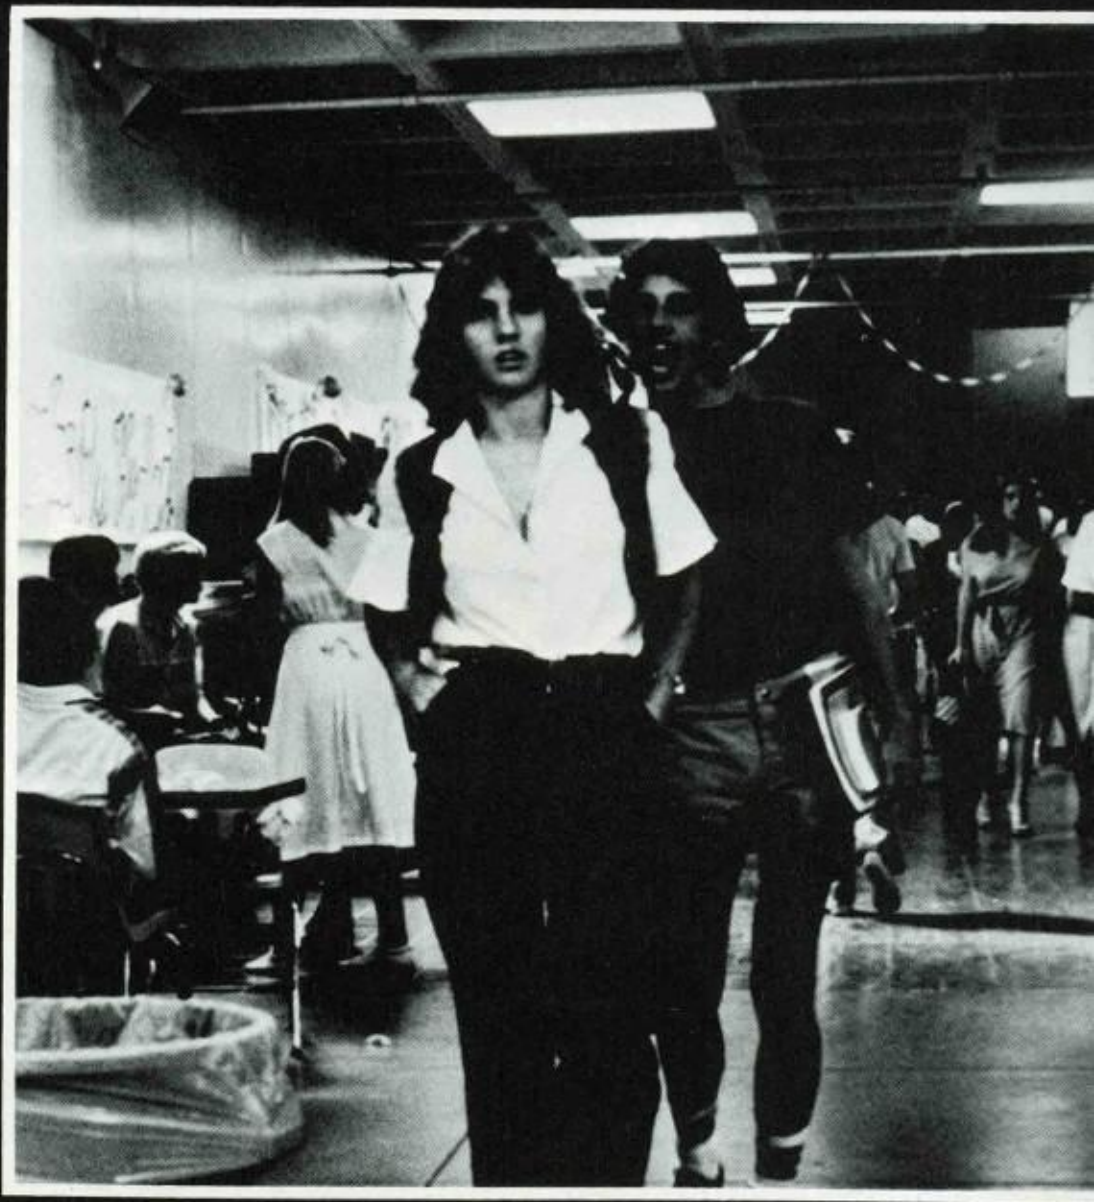
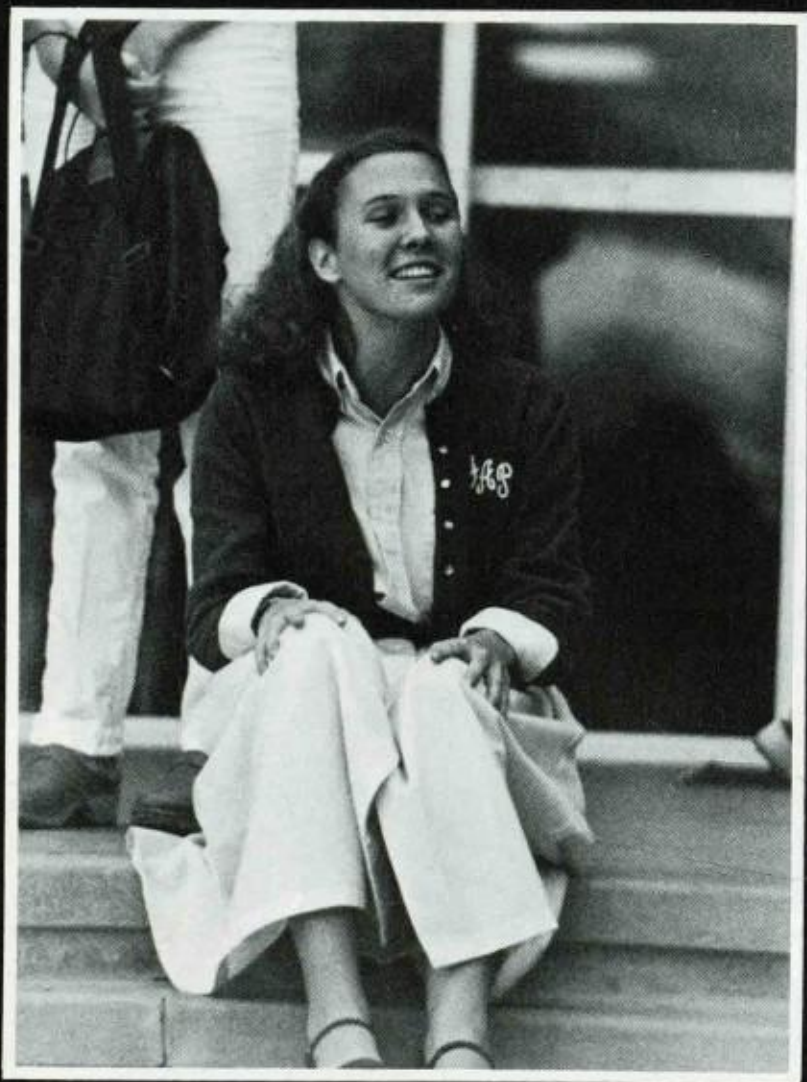
Our time is over, this flight has ended.



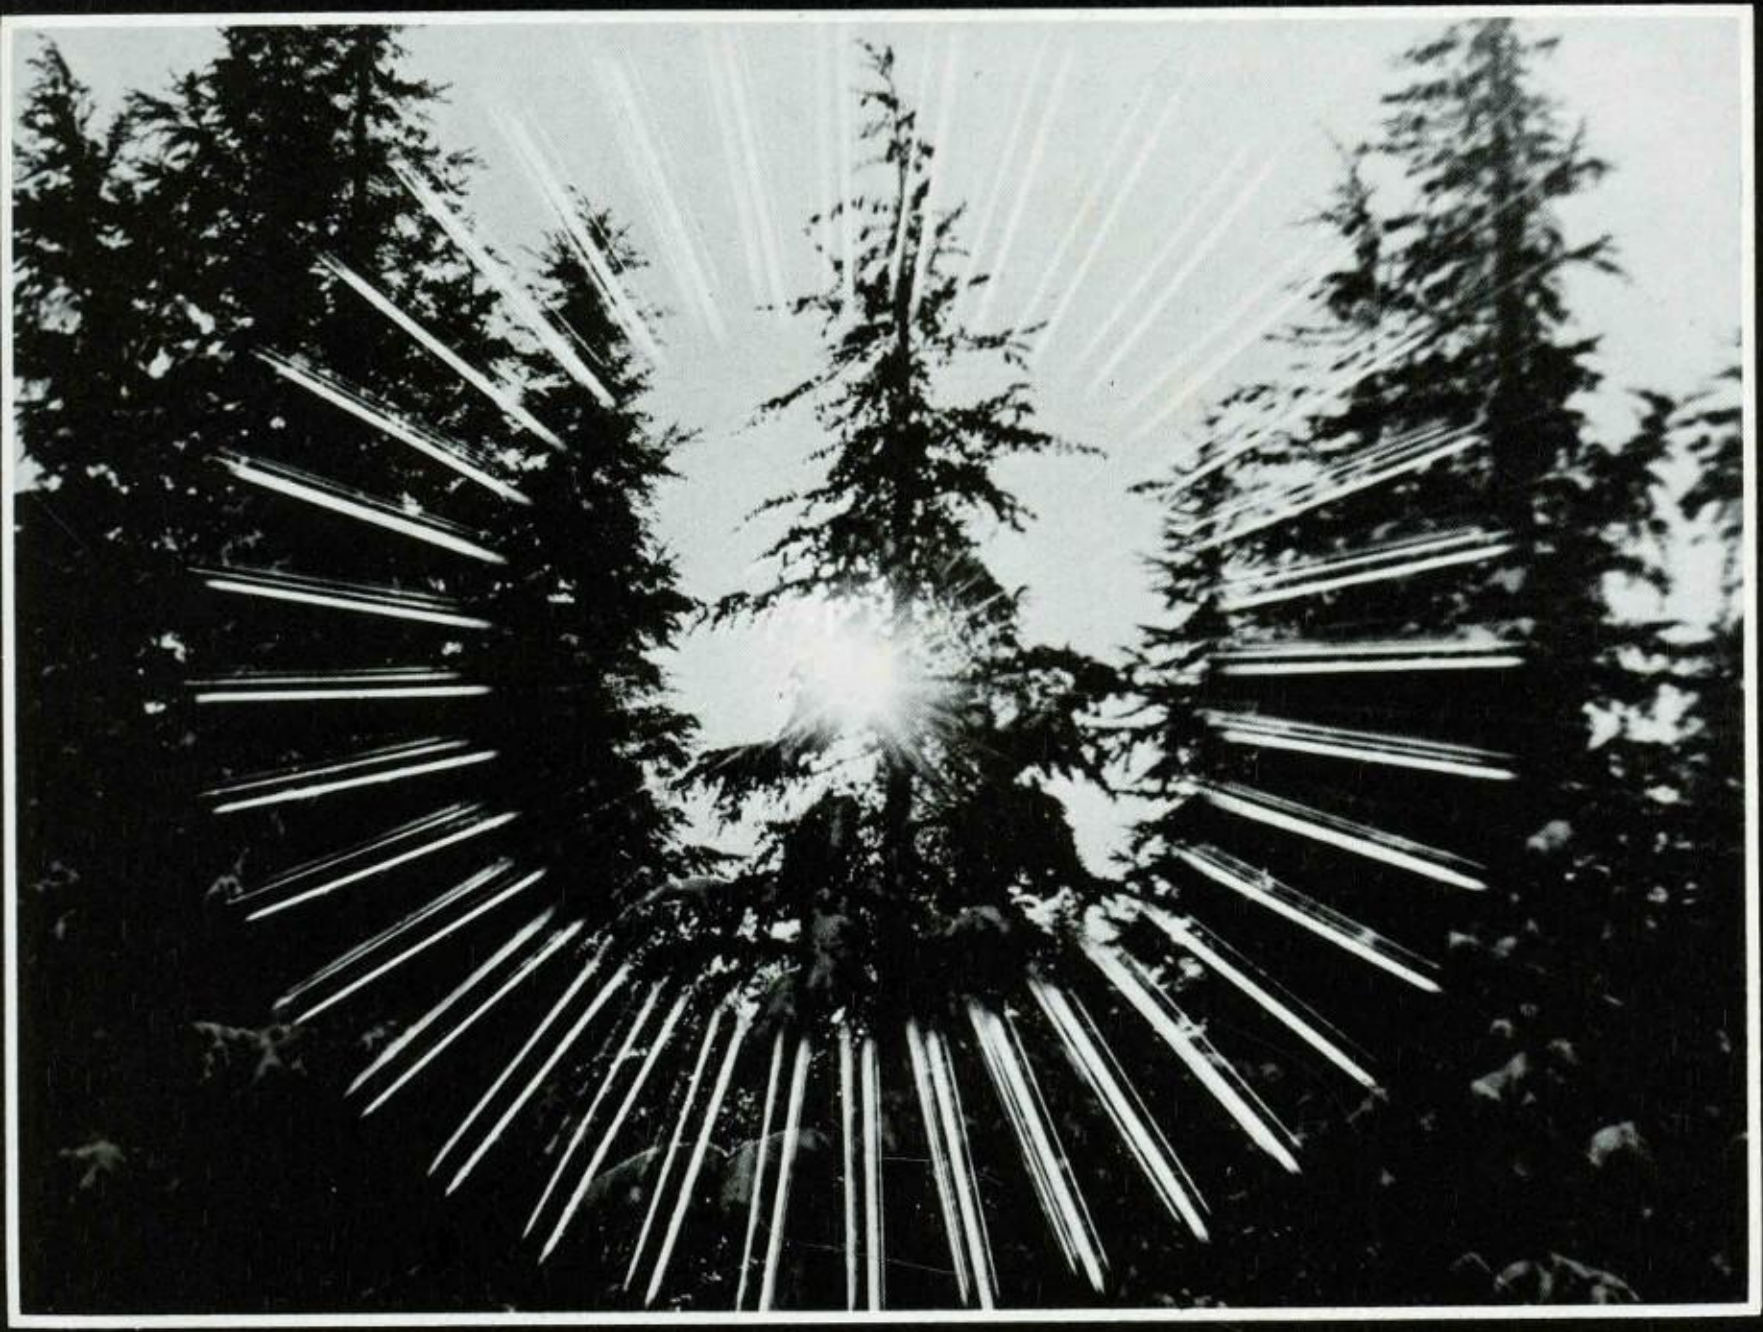


We tried to remember where we began. Those young and restless days when we thought the end would never come, has flown by too swiftly.

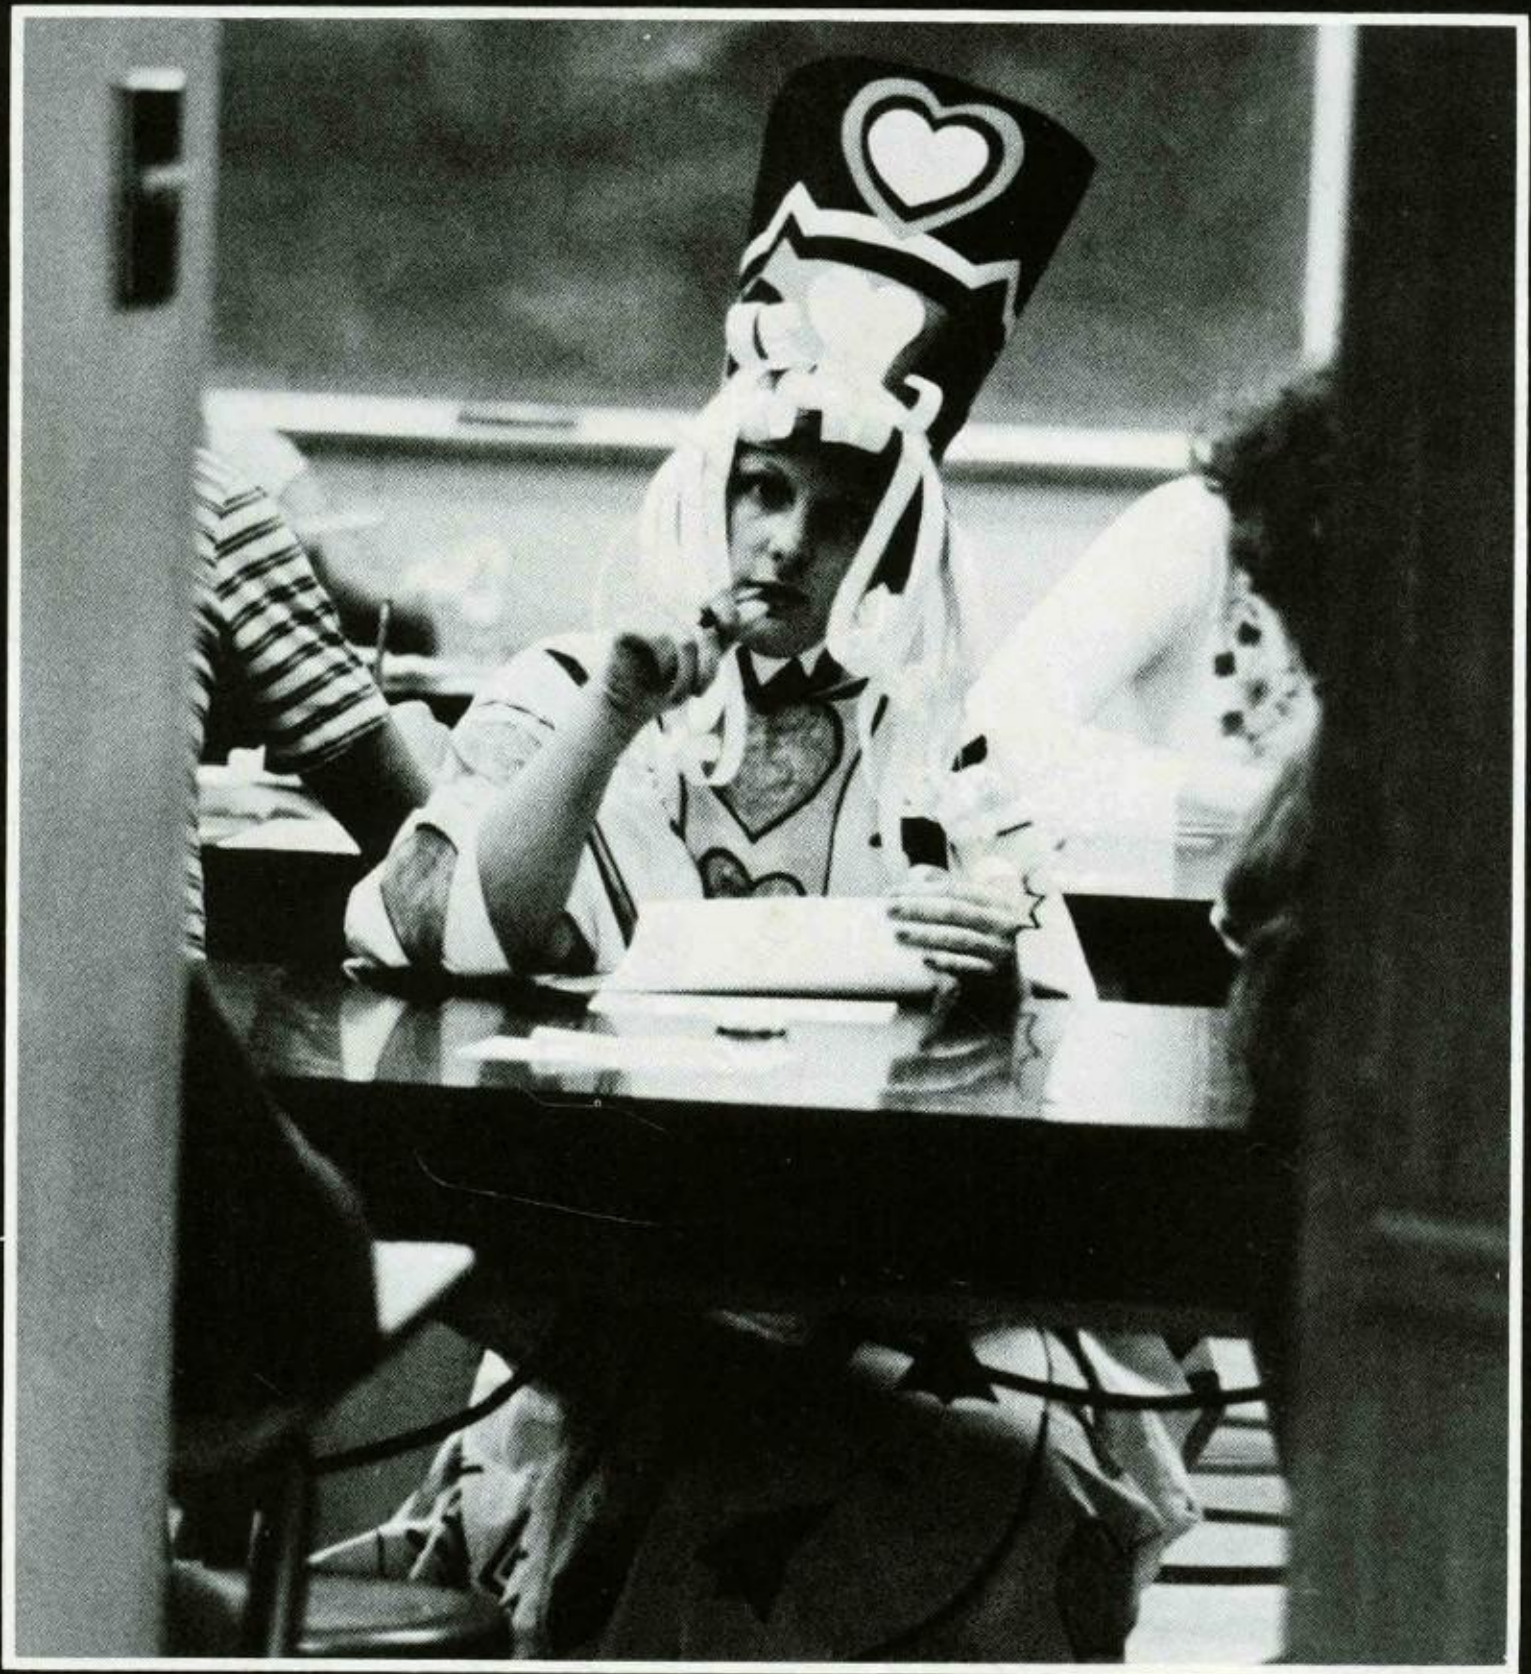




The friends we thought would always be, are beginning their new journeys. We'll always have them in our memories,



the times were too
fond to forget.



Now
is
the time to move on. Say goodbye to those people and times that made it all worth - while. The time is over and the journey is on.

Be on your way; your new flight has just begun.

Thoughts from friends

High Shan~

Oh my god, success, another year and we've made it! Well pal so many things have happened in the two years I've known you that I hardly know what to say. Wait I think maybe I can remember something. Gaspers, parties getting too buzzed and my brother paid Greg to take me home. Or when Mark Miller hooters we would get so buzzed that someone I know you'd to stand in the middle of the street so she'd get hit. But seriously Shan, you're one of my most bestest friends that I've ever have had and I fully want us to be friends 4 ever! I hope the future is fully even better than the past. You got a lot of things goin' for ya, looks, personality, and dancing. I'll always be here if you ever starting slacking off or whatever or if you need someone to talk to. You Know that I'll help if I can. Summer should bring some buzzable times to remember, and some tanning days to the fullest. Take care of Greg he really loves you I can tell. Well have a good one however you spend it, Mex bound, Hawaii bound, to the fullest. Don't smoke any wooden dubbies.

Love you always,
friends forever
